

Lincoln Park Tenants Association

32 Lincoln Park
Newark, NJ 07102

April 28, 2004

The meeting was called to order by the president and minutes from the last meeting were read. The President said that Ms. Davis should always receive a copy of the minutes from each meeting. The tenants spoke on how the fire alarm went off. There was no security at the building to see what was going on. Security is only in the building from 8:00 a.m. to 4:00 p.m. After this time there is no security. The tenants are complaining that too many people are walking into the building. The people come in behind tenants who are entering the building. On Sundays there is no security at all at Lincoln Park. The president made a suggestion for the tenants to chip in money so that they can have security on Sunday.

The tenants would like to have security at night, so that the hallways can be checked. One of the tenants spoke on how the bus drivers (public transportation) come into the building and use the bathrooms.

A representative from Living Well Health Care systems came to speak on their program, and also to see if they could sign up any tenants to join their program.

The meeting was then adjourned.
